

RE: LUFA Communiqué – Negotiation Bulletin #3

June 24, 2022

Dear Colleagues:

The LUFA bargaining team and our employer met for a full day of bargaining on June 21.

With a mandate from the Board in place, the employer presented their monetary proposal in the morning. In the afternoon, we responded with an updated comprehensive proposal. Some progress was made.

Both teams agreed to move to mediation with Eli Gedalof in person on July 12 – 14.

Sincerely,

Robert Mawhinney, LUFA Chief Negotiator
